The standard for hiding roller blinds.

S100x100SS

ARTICLE: 56002

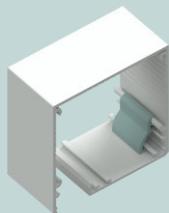

EXAMPLE USE:
Head Box, two skim coat
flanges (Std Roller Blinds)

S100x100NS

ARTICLE: 56001

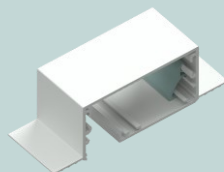

EXAMPLE USE:
Head Box, one skim coat
flange (Std Roller Blinds)

S100x100NN

ARTICLE: 56000

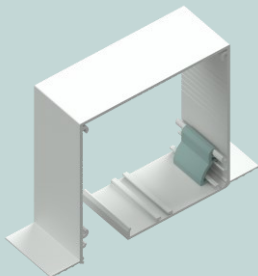

EXAMPLE USE:
Head Box, no flanges (Std
Roller Blinds, <2400mm
width)

S100x50SS

ARTICLE: 56030

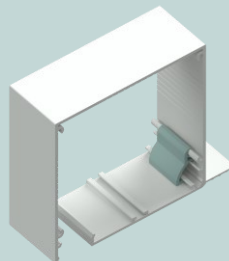

EXAMPLE USE:
Side Box for side channels,
two skim coat flanges

S130x130SS

ARTICLE: 56022

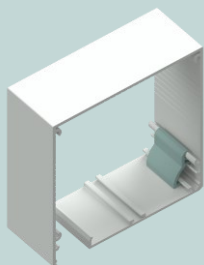

EXAMPLE USE:
Head Box, two skim coat
flanges (L Roller Blinds)

S130x130NS

ARTICLE: 56021

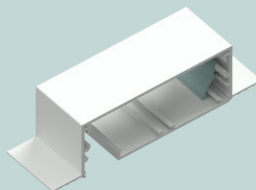

EXAMPLE USE:
Head Box, one skim coat
flange (L Roller Blinds)

S130x130NN

ARTICLE: 56020

EXAMPLE USE:
Head Box, no flanges (L
Roller Blinds, <4000mm
width)

S130x50SS

ARTICLE: 56035

EXAMPLE USE:
Side Box for side channels,
two skim coat flanges

CH25

ARTICLE: 86030

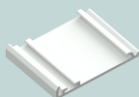

Product Information:
Cover Hinge sold in packs of 25
pcs. (included with boxes)

Wall Mount

ARTICLE: 86020

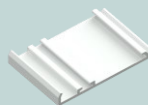

Product Information:
Wall mount for installation
without Head Box

C65

ARTICLE: 86014

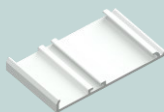

Product Information:
Cover 65mm if sold separately
(included with boxes)

C75

ARTICLE: 86015

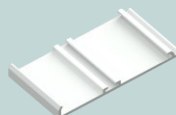

Product Information:
Cover 75mm if sold separately
(included with boxes)

C85

ARTICLE: 86016

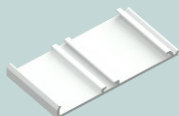

Product Information:
Cover 85mm if sold separately
(included with boxes)

C92

ARTICLE: 86010

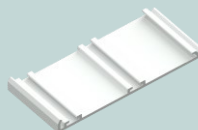

Product Information:
Cover 92mm if sold separately
(included with boxes)

C95

ARTICLE: 86017

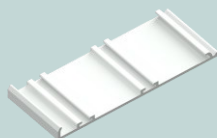

Product Information:
Cover 95mm if sold separately
(included with boxes)

C115

ARTICLE: 86011

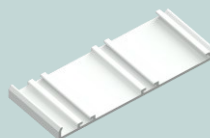

Product Information:
Cover 115mm if sold separately
(included with boxes)

C122

ARTICLE: 86018

Product Information:
Cover 122mm if sold separately
(included with boxes)

C125

ARTICLE: 86012

Product Information:
Cover 125mm if sold separately
(included with boxes)

SEC100x100

ARTICLE: 56101

Product Information:
End Cap for S100x100

SEC100x50

ARTICLE: 56102

Product Information:
End Cap for S100x50

SEC130x130

ARTICLE: 56110

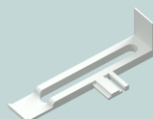

Product Information:
End Cap for S130x130

SEC130x50

ARTICLE: 56111

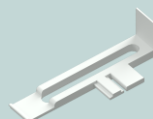

Product Information:
End Cap for S130x50

CG65

ARTICLE: 86040

Product Information:
Chain Guide for chain
operated blinds 65mm
cover

CG75

ARTICLE: 86041

Product Information:
Chain Guide for chain
operated blinds 75mm
cover

CG85

ARTICLE: 86042

Product Information:
Chain Guide for chain
operated blinds 85mm
cover

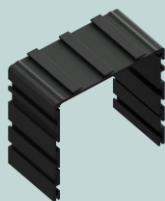

CG95

ARTICLE: 86043

Product Information:
Chain Guide for chain
operated blinds 95mm
cover

MODULAR **M** SERIES

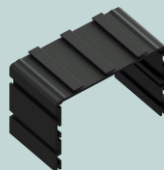

Superior blinds concealment.

M100x100

ARTICLE: 60101

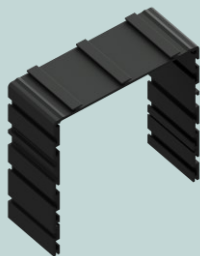

Product Information:
Back Box for M 100x100
System

M100x70

ARTICLE: 60103

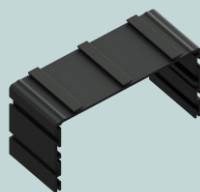

Product Information:
Side Box for M100x100
System

M130x130

ARTICLE: 60100

Product Information:
Back Box for M 130x130
System

M130x70

ARTICLE: 60102

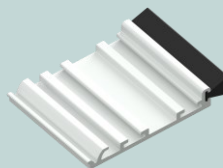

Product Information:
Side Box for M 130x130
System

MC50

ARTICLE: 60109

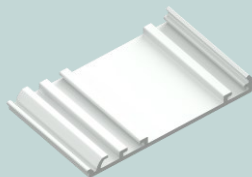

Product Information:
Modular Cover 50mm

MCB60

ARTICLE: 60117

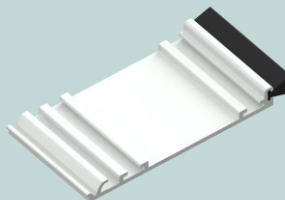

Product Information:
Modular Cover with Brush,
60mm

MC80

ARTICLE: 60108

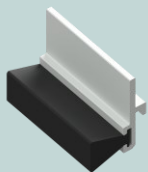

EXAMPLE USE:
Modular Cover 80mm

MCB90

ARTICLE: 60118

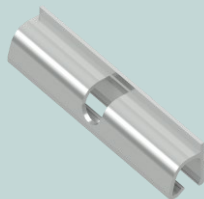

Product Information:
Modular Cover with Brush,
90mm

MBH

ARTICLE: 60119

Product Information:
Modular Brush Holder for
Box

MCH

ARTICLE: 60110

Product Information:
Modular Cover Hinge

MSF

ARTICLE: 60111

Product Information:
Modular Skim Coat Flange

MPF

ARTICLE: 60112

Product Information:
Modular Visible Plain
Flange

MSC70

ARTICLE: 60106

Product Information:
Modular Side Cover 70mm

MSC100

ARTICLE: 60105

Product Information:
Modular Side Cover 100mm

MSC130

ARTICLE: 60104

EXAMPLE USE:
Modular Side Cover
130mm

MWB

ARTICLE: 60107

Product Information:
Modular Wall Bracket

MWH

ARTICLE: 60114

Product Information:
Modular Wall Hinge for
installation without Head
Box

MBB1

ARTICLE: 60113

Product Information:
Modular Blind Bracket for
Lutron Bracket

MEC100x100

ARTICLE: 63101

Product Information:
End Cap for M100x100

MEC100x70

ARTICLE: 63103

Product Information:
End Cap for M100x70

MEC130x130

ARTICLE: 63100

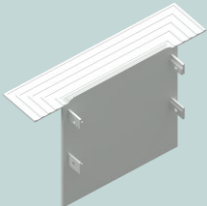

Product Information:
End Cap for M130x130

MEC130x70

ARTICLE: 63102

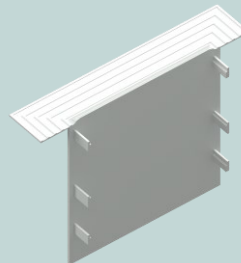

Product Information:
End Cap for M130x70

MEC100x100S

ARTICLE: 63120

Product Information:
End Cap for M100x100 with
Skim Coat Flange

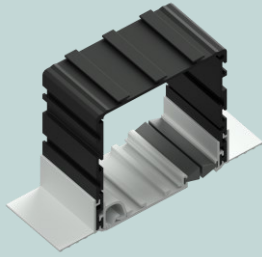

MEC130x130S

ARTICLE: 63110

Product Information:
End Cap for M130x130 with
Skim Coat Flange
